

THE SASH
WINDOW
WORKSHOP

Factory Operative

Reporting to: Department Supervisor / Production Manager

Location: Bracknell, Berkshire

We are looking to recruit a Factory Operative to work in our Bracknell workshop.

Key Requirements:

- Good communication skills required.
- Knowledge of timber window manufacture, and ability to use battery operated tools, and basic woodworking equipment, would be an advantage.
- Operatives must be physically fit, and be able to lift up to 25kgs, in line with HSE guidelines.
- Requirement to work shift work as and when required.

Key Role Responsibilities

- To assist in the manufacture of joinery products using pneumatic presses.
- To work in the joinery shop, repairing and sanding products prior to painting.
- To apply window fittings and weather seals to window products.
- To factory glaze windows and bead windows.
- To rub down and clean windows prior to dispatch.

Additional Responsibilities

- To carry out any other reasonable duties requested.

Normal working hours will be 7am – 4pm on Monday to Friday. Salary will be dependent upon experience.

To apply, please send your CV to: info@sashwindow.com
