

THE SASH WINDOW WORKSHOP ACCOYA WINDOWS AND DOORS

THE SASH
WINDOW
WORKSHOP

A SUMMARY OF ACCOYA® WOOD

A new world of sustainable and low maintenance windows and doors is available using Accoya® wood.

The result: a durable, dimensionally stable, reliable and beautiful solid wood with the performance characteristics of the most durable tropical hardwoods, but offering industry-leading environmental credentials.

- Accoya® wood windows and doors can be expected to last at least twice as long as engineered softwood before replacement
- Low risk of windows and doors jamming in humid conditions

- Coating maintenance intervals can be expected to be twice as long on Accoya® wood
- Accoya® wood windows and doors contain no biocides
- Thermal conductivity is improved in comparison with softwoods and hardwoods
- Accoya® window frames are now classified as Carbon Negative over their full life cycle

ABOUT THE SASH WINDOW WORKSHOP

At The Sash Window Workshop we know that what you need is a team of experts who will provide you with beautifully made, thermally efficient Accoya windows and doors that will work perfectly for 20 years or more.

Excellence and attention to detail extends beyond the windows and doors we make and into everything we do. We are the largest independent manufacturer and installer of timber windows and doors in London and the South. Operating from one central location in Berkshire, we are able to ensure a consistently high standard of work.

At The Sash Window Workshop we believe that the quality of the installation process is just as important to you as the quality of the doors and windows we make. Together with our after sales service we aim to deliver to you a very elegant product together with a service that none can better. As a result, all of our new windows and new sashes are supplied fully finished, and are made in our workshop in Bracknell to suit your period property.
